

**Suggested site for
a new public toilet
at Cobbler Creek
West Reserve**

This book is written in an easy way.

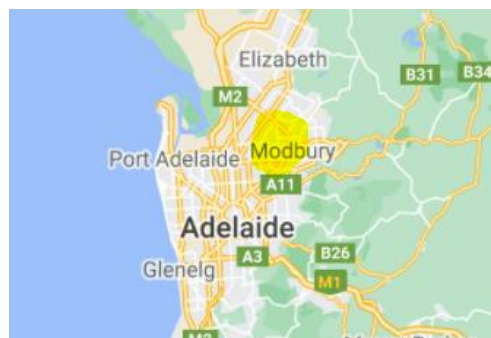

This book is written by:

The City of Tea Tree Gully.

The City of Tea Tree Gully
provides services like

- parks and
- picking up rubbish

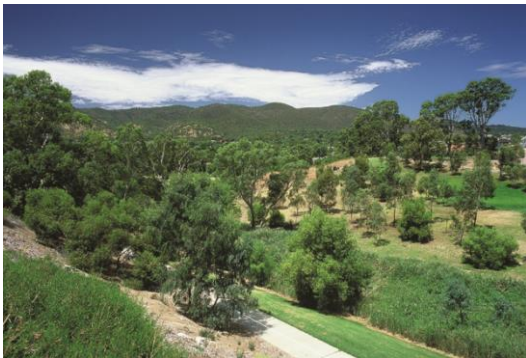

for people who live
north-east of Adelaide.

This book is a plan,
about where to put a toilet in a park.

The toilets are for the public.
Which means everyone can use them.

The park is the
Cobbler Creek West Reserve.
The City of Tea Tree Gully looks after
this park.

This part of the park doesn't have any
toilets.

This is what the public toilet
might look like in the park.

The toilets are for everybody
including people with a disability.

The toilets will be open during the day

and locked at night.

Lights will come on
when someone goes inside.

There will be
water fountains for drinking

and water for dogs.

The plan is to put a toilet
in the area called Greenwith.

This picture shows
where the toilet could go.
Look for the red star.

There is one toilet for the area.

Do you want to have public toilet
in the place marked with a star?

Tell us what you think about our plan?

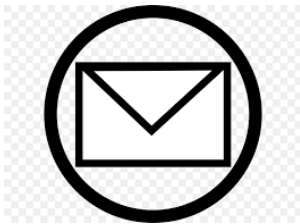

Tell us before

5 pm, Friday 3 March

If you need help

Ask for Brooke Treloar

We will show all the ideas to Council.

When there is a decision
on where the toilet will go
we will tell you
by email.

Thank you.
